Formal Education

- 2023** PhD in Mathematical Sciences (GPA: N/A)
Mathematical models for the evolution of species
University of Tasmania, Hobart, TAS – Australia
- 2021** Graduate Certificate in Research (GPA: 6.5/7.0)
University of Tasmania, Hobart, TAS – Australia
- 2018** Master of Mathematical Sciences (Advanced) (GPA: 6.3/7.0)
The most recent common ancestor of a randomly chosen sample in a Galton – Watson process
Australian National University, Canberra, ACT – Australia
- 2015** Bachelor of Mathematical Sciences (GPA: 4.0/4.0)
Teorema berbasis aksioma separasi dalam ruang topologi (separation axioms – based theorem in topological spaces)
Nusa Cendana University, Kupang, NTT – Indonesia

Non-Degree Education

- Feb – Mar 2021** Summer School Student
[Australian Mathematical Sciences Institute \(AMSI\)](#)
University of Adelaide, Adelaide, SA – Australia
- Jan – Feb 2018** Summer School Student
[Australian Mathematical Sciences Institute \(AMSI\)](#)
Monash University, Clayton, VIC – Australia
- Sep – Oct 2016** Exchange Student
[Young Southeast Asian Leaders Initiative \(YSEALI\) Academic Fellowship](#)
Northern Illinois University, DeKalb, IL – USA
- May – Aug 2016** Visiting Student
[LPDP Scholarship's](#) IELTS Class Program
UIN Sunan Kalijaga, Yogyakarta, DIY – Indonesia

Research Interests

My research focuses on the development of mathematical and statistical methods related to branching processes. In particular, I am interested in applying these methods to study the evolutionary history of species diversification and the dynamics of infectious diseases in structured populations. To conduct this research, I draw on techniques and concepts from a range of fields, including birth–death processes, matrix-analytic methods (MAMs), statistical data analysis, public health, machine learning, and evolutionary biology.

Coursework

Graduate – level

Probability Models 3	Bioinformatics and Biological Modelling
Low – Dimensional Topology	Analysis 1: Metric spaces and Applications
Mathematics Research Project	Probability Modelling with Applications
Number Theory and Cryptography	Scientific Computing
Advanced Algebra 1: Groups, Rings, and Linear Algebra	Ordinary Differential Equations and Advanced Vector Calculus
Advanced Algebra 2: Field extensions and Galois theory	Advanced Mathematical Bioinformatics
Stochastic Modelling	Mathematical Modelling of Infectious Diseases

Undergraduate – level

Calculus and Vector Analysis	Real Analysis
Linear Algebra	Statistical Mathematics
Complex Variable	Numerical Method
Research Methodology	Regression Analysis
Analytic Geometry	Discrete Mathematics
Partial Differential Equations	Linear Programming
Operation Research	Sample Survey Method and Data Analysis
Mathematical Economics	Mathematical Modelling
Point-set Topology	Non-Parametric Statistical Methods
Field Work	Thesis

Technical Skills

Document Preparation	Slide Preparation
Microsoft Word, LaTeX	Microsoft Powerpoint, LaTeX Beamer
Statistical Software	Mathematical Software
Microsoft Excel, SPSS, Minitab	Mathematica
Programming Language	Other Skills
R, Julia, MATLAB, RevBayes	Command-line interface, Bash, High – Performance Computing

Soft Skills and Language Proficiency

I have experience in mentoring, hosting public events, and organizational management (details listed in this CV).

Bahasa Indonesia Native (Fluent)

English Professional working proficiency (IELTS Academic 7.5 - L:9.0, R:7.5, W:7.0, S:6.5)

Employment

2023 – [Postdoctoral Research Associate](#)
Department of Biology
Washington University, St. Louis, MO – USA

Job Description

Developing mathematical models for studying evolutionary processes and patterns in species diversity with biogeography, and epidemiology models with host movements.

2020 – 2022 Mathematics Tutor
Discipline of Mathematics
University of Tasmania, Hobart, TAS – Australia

Job Description

Tutoring and marking assignments for undergraduate – level mathematical and statistical courses.

2020 – 2022 Exam Scribe
Disability Service
University of Tasmania, Hobart, TAS – Australia

Job Description

Working with the university's disability service to assist students that require exam scribe.

2021 Open Day - School Representative
Discipline of Mathematics
University of Tasmania, Hobart, TAS – Australia

Job Description

Working with the university to hold the university Open Day event as one of the representatives from School of Natural Sciences (Mathematics). Preparing booth for mathematics department and math games for kids.

2020 – 2021 External Team Member
Public Health Biomolecular Lab
Local Government, Nusa Cendana University, Kupang, NTT – Indonesia

Job Description

Providing advice about sampling in pooled PCR test for COVID – 19 early detections in East Nusa Tenggara province. A joint collaboration between the local government, Forum Academia NTT, and Nusa Cendana University.

2020 External Reviewer
2nd ICRU International Conference on World Sustainable Development
Nakhon Si Thammarat Rajabhat University, Thailand

Job Description

Invited as an external reviewer for abstracts submitted to the conference.

2019 Contract Lecturer
Department of Mathematical Sciences
Nusa Cendana University, Kupang, NTT – Indonesia

Job Description

Teaching Mathematical Biology and English for Specific Purposes courses for Semester 1, 2019.

2018 Mathematics Tutor
Mathematical Sciences Institute
Australian National University, Canberra, ACT – Australia

Job Description

Tutoring and marking assignments and exams for first-year mathematical course.

2015 – 2016 Teaching Assistant
Department of Mathematical Sciences
Nusa Cendana University, Kupang, NTT – Indonesia

Job Description

Co-teaching first-year mathematics courses, marking assignments and exams.

2015 Paid Internship (Remote)
JUARA Skincare
Jakarta, Indonesia

Job Description

Promoting JUARA's cosmetic products using social media campaigns. Part of Young Leaders for Indonesia (YLI) Batch 7's programs.

2014 – 2015 Student Mentor
UniBRIDGE Project
Nusa Cendana University, Kupang, NTT – Indonesia

Job Description

Mentoring participating university students and providing monthly reports for University Building Relationship through Intercultural Dialogues and Growing Engagements (UniBRIDGE) project, sponsored by Australia's Department of Foreign Affairs and Trade.

Awards and Invitations

The Heidelberg Laureates Forum Foundation

2022 Invited to attend [the 9th Heidelberg Laureate Forum](#)

2021 Invited to attend [the 8th Heidelberg Laureate Forum](#)

2020 Invited to attend [the virtual Heidelberg Laureate Forum](#)

Young Southeast Asian Leaders Initiative

2019 Invited to attend [the 2019 YSEALI Summit](#) in Phuket, Thailand

Indonesia Endowment Fund for Education

2016 Awarded by the head director of LPDP and PIC as one of the high-scoring participants on the final test during the pre-departure preparation (PK) for LPDP awardees batch 89

Australian National University

2015 Invited to attend [the 2015 ANU Asia Pacific Week](#) hosted by ANU College of Asia & the Pacific

Nusa Cendana University

2015 Awarded as the best graduate in the cohort (GPA 4.0 of 4.0)

Awarded as the fastest graduate in the cohort (completed bachelor's degree with research in 3.5 years)

Awarded as the youngest in the cohort (graduating at the age of 18)

2nd place at the 2015 English Debating Competition

2011 4th place of the 2011 Chemistry Quiz contest for high school students held by the Chemistry department

Indonesian Ministry of Research, Technology and Higher Education

2015 1st winner of the 2015 high-achieving student competition (MAWAPRES) at faculty level

1st winner of the 2015 ON MIPA – PT at university level

2014 1st winner of the 2014 high-achieving student competition (MAWAPRES) at faculty level

1st winner of the 2014 ON MIPA – PT at university level

PERTAMINA

2014 1st winner in mathematics at the 2014 National Science Olympiad at provincial level

2013 1st winner in mathematics at the 2013 National Science Olympiad at provincial level

PGRI University

2015 3rd place at the 2015 Regional University English Debating Competition (British Parliamentary style)

Pacific Countries Social and Economic Solidarity Association (PASIAD)

2008 Finalist at the 5th PASIAD National Mathematics Competition

Finalist at the 4th PASIAD National Mathematics Competition

Indonesian Ministry of Education and Cultures

2009 Top ten winner of KiHajar competition for high school students at provincial level

2007 5th winner of the 2007 Mathematics and Science Olympiad (MIPA) for primary school students at provincial

Scholarships and Grants

ICERM

2024 Recipient of travel and accommodation supports to attend “[Current Methods and Open Problems in Mathematical and Statistical Phylogenetics](#)” workshop at ICERM

Recipient of travel and accommodation supports to attend “[From Phylogenetics to Phylogenomics: Mathematical and Statistical Challenges in the Era of Big Data](#)” workshop at ICERM

Recipient of travel and accommodation supports to attend “[Algorithmic Advances and Implementations Challenges: Developing Practical Tools for Phylogenetic Inference](#)” workshop at ICERM

NIH/NSF-EEID

2023 – Postdoctoral funded through NSF/NIH-EEID:

“[Phylogenetic modelling of viral transmission dynamics at the human wildlife interface in Uganda](#)” awarded to PI Michael Landis and other collaborators

StanCon

2023 Recipient of the StanCon grants to fully attend tutorials and conference of [StanCon 2023](#)

University of Tasmania

2019 – 2023 Recipient of the [Tasmania Graduate Research Scholarship](#) (TGRS) for PhD (tuition fees, living allowances and related expenditures)

2022 Recipient of the 2022 CoSE HDR COVID-recovery mobility scheme

Young Southeast Asian Leaders Initiative (YSEALI)

2019 Received a travel grant to fully attend the [2019 YSEALI summit](#) in Phuket, Thailand

Granted a seed fund from the 2019 YSEALI summit for conducting social team project “Identify Identity” for underprivileged children in Sabah, Malaysia

2016 Received full scholarship for a 5-week study at the Northern Illinois University as part of the [2016 YSEALI academic fellowship](#) – Fall program.

Australian Mathematical Sciences Institute

2022 Awarded [the 2022 AMSI-AustMS Heidelberg Laureate Forum Travel Fund](#)

- 2021** Awarded [the registration scholarship](#) to participate at the 2021 AMSI BioInfoSummer symposium
- Awarded a full scholarship to attend the [2021 AMSI Summer School](#) program
- 2020** Awarded [the registration scholarship](#) to participate at the 2020 AMSI BioInfoSummer symposium
- 2019** Awarded the travel and accommodation grant to attend the [2019 AMSI BioInfoSummer](#) symposium
- 2018** Awarded the travel and accommodation grant to attend the 2018 AMSI BioInfoSummer symposium
- Awarded the travel and accommodation grant to attend the 2018 AMSI Summer School program

Indonesian Ministry of Finance

- 2017 – 2018** Recipient of the [LPDP scholarship](#) for master's degree (tuition fees, living allowances and related expenditures)

Young Leaders for Indonesia Foundation

- 2015** Granted student to attend [the Young Leaders for Indonesia](#) program batch 7 (travel and accommodation expenses)

Indonesian Ministry of Research, Technology and Higher Education

- 2015** Recipient of the 2015 Academic Achievement Scholarship (PPA) (tuition fees for undergraduate)
- 2014** Recipient of the 2014 Academic Achievement Scholarship (PPA) (tuition fees for undergraduate)

Van Deventer – Maas Stichting (VDMS) Foundation

- 2014 – 2015** Recipient of the [VDMS scholarship](#) for undergraduate

UniBRIDGE

- 2014** Granted student of the 2014 UniBRIDGE program for one-month visits to participating universities in Australia

Blog Writings

This list contains all the articles I have contributed over the years through my communities' blogs. The primary aim for these articles is promote community empowerment, particularly in Indonesia, by sharing personal experience in various topics, ranging from youth opportunities to scholarships. The full list can be found on [my website](#).

Volunteer Experiences

- **[Deall Indonesian National Mentoring Festival \(IMF\) 2024](#) | Mentor (March 2024)**
Mentoring and knowledge sharing to 11 mentees with topics around scholarship and university applications, job interview, and English-preparation test (IELTS)
- **Deall Career Mentoring Festival (DCMF) 2022 | Mentor (Nov – Dec 2022)**
Education and scholarship mentor at Indonesian's largest jobs and mentoring platform.
- **[Hobart's Festival of Bright Ideas](#) | UTas' representation at maths booth (May 2022)**
- **University of Tasmania's Open Day | Maths booth representation (Nov 2021)**
- **[UniBRIDGE's Blog](#) | Content Writer (Sep 2016 – Present)**
Writing some articles related to IELTS and scholarships for UniBRIDGE's blog.
- **[Australia – Indonesia Youth Association's Blog](#) | Content Writer (Feb 2015 – Present)**
Contributing to the association's blog by writing articles related to Indonesia and Australia.
- **[Kelas Daring IELTS NTT](#) | Founder (Jun 2019 – Jul 2021)**
Founder of the initiative with a goal to provide a free online IELTS course for communities in East Nusa Tenggara province. [The initiative](#) is also accompanied by other activities, including webinar series about scholarships and youth opportunities as well as online sharing sessions.
- **PPIA ACT's *Kakak Asuh* Program | Mentor (Feb – Jul 2018)**
As a mentor for two newly commencing Indonesian students at the ANU adjusting with the university life.
- **PPI Australia's IMPACT Program | Ambassador (Mar – Apr 2018)**
As an ambassador for the association's "Improving Papua and East Nusa Tenggara's Educations (IMPACT)" program through fund raising activities.
- **[SET4ANU Orientation Program](#) | Orientation Leader (Feb – Mar 2018)**
Mentoring newly commencing students at the Australian National University to adjust with university's life and provide relevant assistances.
- **[MITRA Mentoring Project](#) | Initiator (Oct 2016 – Feb 2017)**
Initiating and providing mentorships for youths from the eastern part of Indonesia about scholarship and youth-related opportunities.
- **[Indonesia Mengglobal](#) | Mentor (May – Aug 2016)**
Participating as a mentor on scholarships and IELTS preparations through Indonesian Mengglobal Mentoring program.
- **International Education and Culture Fair 2016 | Committee Member (Feb 2016)**
As a member of the committees for the 2016's International Education and Culture Fair held by Nusa Cendana University.

- **[CAUSINDY Kupang Forum](#) | Organiser (Sep 22nd, 2015)**
Organising online conference for Kupang forum of the Conference of Australian and Indonesian Youth (CAUSINDY) with Australia Indonesia Youth Association (AIYA) Eastern Indonesia (Previously known AIYA East Nusa Tenggara).
- **Fieldwork in Teunbaun Village | Student Participant (Jul – Sep 2015)**
A 3-month community service in Teunbaun village held by Nusa Cendana University. Helping to establish projects related to education, environment, and health.
- **MITRA Coastal Care | Project Initiator (May – June 2015)**
A personal leadership project through Young Leaders for Indonesia (YLI) Batch 7. Promoting environmental education through real action activities for people living near a coastal area in Kupang.
- **Green School Movement Program | Volunteer (Feb 2015)**
An initiative by *Yayasan Peduli Sesama* (SANLIMA) and the local forestry department and supported by MITRA, aimed to raise students' participation in environment by giving students opportunity to plant their own saplings, started at SMAN 3 Kupang.
